Please write me a short note about your child. You may write me in English or in Spanish on this paper or on a separate sheet of paper which you attach. Please have your child return the note by Friday of the first week of school; it is a homework grade. In addition please visit the parent page of our class website at <http://www.laspillane.org/parents.html> and complete the online form, so that I may make an email group to send you updates about what is happening in class.

In your note please tell me about the following:

- your child's strengths and challenges in school
- your goals for your child this year in school
- your child as a reader and writer
- anything else I may need to know to better teach your child this year
